

# Dirty Little Girl

Elton John

I've seen a lot of women, who haven't had much luck  
I've seen you looking like you've been run down by a truck  
That ain't nice to say, sometimes I guess I'm really hard  
But I'm gonna put buckshots in your pants, if you step into my yard, oh  
When I watch the police  
come by and move you on  
Well I sometimes wonder what's beneath the mess you've become  
Well you may have been a pioneer in the trade of women's wear  
But all you got was a mop up job washing other people's stairs  
I should tell  
I should tell  
Gonna tell the world, you're a dirty little girl  
Someone grab that bitch by the ears  
Rub her down, scrub her back, turn her inside out  
'Cause I bet she, I bet she, I bet she, oh, I bet she  
Haven't had a bath in years  
Here's my own belief about all the dirty girls  
That you have to clean the oyster to find the pearl  
And like rags that belong to you, I belong to myself  
So don't show up around here till your social workers help  
I should tell  
I should tell  
Gonna tell the world, you're a dirty little girl  
Someone grab that bitch by the ears  
Rub her down, scrub her back and turn her inside out  
'Cause I bet she, oh, I bet she, I gotta tell her now, I bet she, oh, I bet she  
Haven't had a bath in years  
Rub her down  
'Cause I bet she, oh, I bet she, oh, now I bet she, oh, I bet she  
Haven't had a bath in years  
Dirty, dirty, dirty little girl  
Dirty, dirty, dirty little girl  
Dirty, dirty, dirty little girl
