

# I Don't Know What the Weather Will Be

[Laura Mvula](#)

(Verse)

Tell me another story with a happy ending.

Caught my feet so eery and my heart need mending.(Pre-Chorus)

Is it true and all this could be it?

I'm not ready for this to be ended.(Chorus)

I don't know what the weather will be,

Whether we'll see on tomorrow.

But if today is all I have to believe, I give to you,

Do what you want to.(Verse)

Tell me another story with a brand new meaning.

Cut my heart so wheery and my head need healing.(Pre-Chorus)

Is it true and all this could be it?

I'm not ready for this to be ended.

(Chorus)

I don't know what the weather will be,

Whether we'll see on tomorrow.

But if today is all I have to believe, I give to you,

Do what you want to.

I don't know what the weather will be,

Whether we'll see on tomorrow.

But if today is all I have to believe, I give to you,

Do what you want to
