

# Oowatanite

## April Wine

Baby, let's move 'cause you know that the light here really hurts my eyes  
I come from a world where the light is dim and the people not so jive  
So fine, you know it's gonna be  
So come on, come on, come on, come on baby  
Come on if you want it to be Oowatanite  
Everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up Ooh baby, you know the time is right  
We are the light of two foreign ships passing in the night  
So fine, you know it's gonna be  
So come on, come on, come on, come on baby  
Come on if you want it to be  
Oowatanite  
Everything will be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up, again Oowatanite  
Everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up Ooh baby, don't hang me on the line  
Life don't wait if you hesitate, come on, quit wastin' time  
I know, you wonder if it's right  
I just need a straight-shootin' woman to get me through the night So come on, come on, come  
on, come on baby  
Come on if you want it to be  
Oowatanite  
Everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up, again
