

# People Are People

## Depeche Mode

People are people, so why should it be  
You and I should get along so awfully?  
People are people, so why should it be  
You and I should get along so awfully? So we're different colours and we're different creeds  
And different people have different needs  
It's obvious you hate me though I've done nothing wrong  
I've never even met you, so what could I have done? I can't understand  
What makes a man  
Hate another man  
Help me understand People are people, so why should it be  
You and I should get along so awfully?  
People are people, so why should it be  
You and I should get along so awfully?  
And now you're punching and you're kicking and you're shouting at me  
I'm relying on your common decency  
So far, it hasn't surfaced but I'm sure it exists  
It just takes a while to travel from your head to your fist I can't understand  
What makes a man  
Hate another man  
Help me understand People are people, so why should it be  
You and I should get along so awfully?  
People are people, so why should it be  
You and I should get along so awfully? I can't understand  
What makes a man  
Hate another man  
Help me understand  
I can't understand  
What makes a man  
Hate another man  
Help me understand I can't understand  
What makes a man  
Hate another man  
Help me understand I can't understand  
What makes a man  
Hate another man  
Help me understand I can't understand  
What makes a man  
Hate another man  
Help me understand I can't understand  
What makes a man  
Hate another man

Help me understand
