

I Still Haven't Found What I'm Looking For

[Matt McAndrew](#)

I have climbed highest mountains
I have run through fields
Only to be with you
Only to be with you I have run, I have crawled
I have scaled the city walls
Said it was
Only to be with you But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
One, two, three, four
Let's go! I have kissed honey lips
Felt the healing in her fingertips
It burned like fire
This burning desire I have spoken with the tongue of angels
I have held end of the velvet
It was warm in the night
I was cold as a star But I still haven't found what I'm looking for
But I still haven't found what I'm looking for I believe in kingdom come
When all the colors were bleeding as one
Bleeding the one
Yes, I'm still running
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for Sing it one more time But I still haven't found what
I'm looking for
