

# I Wanna Dance with Somebody

## Autre Ne Veut

Say you be all for me  
Together to see me  
No reason to tell me  
You'll never tell me Every way that you try to say  
Just got lost in your speech  
And here we are and we're gazing on  
And how to forget hi hi Stand up baby  
You never do it with me  
Dance now, making you want  
You wanna be there  
Stand up, be mine  
You never do it with me  
Dance now, making you want  
Say you be all for me  
Together in the rain  
Everywhere that you're driving  
Say now you don't wanna be Every way that come right down  
And you don't understand  
This is right where you wanna be  
Down, and you hate for now Stand up baby  
You never do it with me  
Dance now, making you want  
You wanna be there  
Stand up, be mine  
You never do it with me  
Dance now, making you want  
He said that you wanna be like far and never wanted  
Baby down and you wanna be there  
You don't wanna let it stay  
And the ways that you anticipated me for life  
Holding back and you run for me  
How and day by day by day by day Stand up baby  
You never do it with me  
Dance now, making you want  
You wanna be there  
Stand up, be mine  
You never do it with me  
Dance now, making you want
