

# Secret Lovers

## Atlantic Starr

Here we are, just the two of us together  
Takin' this crazy chance to be all alone  
We both know that we should not be together  
'Cause if we're found out, it could mess up  
Both our happy homes  
(HIM)

I hate to think about us all meetin' up together  
'Cause as soon as I look at you it will show on my face, yeah  
Then they'll know that we've been loving each other  
We can't let 'em know, no, no, no  
We can't leave a trace  
(BOTH)

Secret lovers, yeah, that's what we are  
We shouldn't be together  
But we can't let go, no, no  
'Cause we love each other so  
Ooh ooh

(HER)Sittin' at home, I do nothin' all day  
But I think about you and hope that you're okay  
Hopin' you'll call before anyone gets home  
I wait anxiously alone by the phone  
(HIM)

How could something so wrong be so right  
I wish we didn't have to keep our love out of sight, yeah  
Livin' two lives just ain't easy at all  
But we gotta hang on in there or fall  
(BOTH)

Secret lovers, yeah, that's what we are  
Tryin' so hard to hide the way we feel  
'Cause we both belong to someone else  
But we can't let go  
'Cause what we feel is, oh, so real  
So real, so real  
(BOTH)

You and me, are we fairIs this cruel or do we care  
Can they tell what's in our minds  
Maybe they've had secret loves all of the time  
(HIM)

In the middle of makin' love we notice the timeWe both get nervous 'cause it's way after nine  
(HER)

Even though we hate it, we know it's time that we go  
We gotta be careful so that no one will know

So real, so real
