Please Don't Say You Love Me

Gabrielle Aplin

Summer comes, winter fades, Here we are just the same,

Don't need pressure, don't need change,

Let's not give the game away

There used to be an empty space,

A photograph without a face,

But with your presence and your grace,

Everything falls into place

Just please don't say you love me, Cause I might not say it back,

Doesn't mean my heart stops skipping

When you look at me like that

And there's no need to worry when

You see just where we're at

Just please don't say you love me

Cause I might not say it back

Heavy words are hard to take,

Under pressure precious things can break,

And how we feel is hard to fake, So let's not give the game away

Just please don't say you love me,

Cause I might not say it back,

Doesn't mean my heart stops skipping

When you look at me like that

And there's no need to worry when

You see just where we're at

Just please don't say you love meCause I might not say it back

And fools rush in

And I've been fooled before,

This time I'm gonna slow it down,

Cause I think this could be more,

The thing I'm looking for

Just please don't say you love me,

Cause I might not say it back,

Doesn't mean my heart stops skipping

When you look at me like that There's no need to worry when

You see just where we're at

Just please don't say you love me

Cause I might not say it back

Please don't say you love me,

Cause I might not say it back,

Doesn't mean my heart stops skipping

When you look at me like that

And there's no need to worry when

You see just where we're at

Just please don't say you love me Cause I might not say it back Just please don't say you love me Cause I might not say it back
