

# Priests of Sodom

## Cannibal Corpse

The blackened city calls out  
Enter the temple of sin  
You must enter the temple of sinContorted sinners beckon  
Join our twisted rites  
You must join our twisted ritesThe priests eyes gleam  
Blood on their scepters of flesh  
There is blood on their scepters of fleshThe nubile virgin bows  
Await the piercing thrust  
She awaits the piercing thrustPerverse rites  
Priests of Sodom preside  
We are damned  
Praise the gods of sinHer walls are burning  
Grinding the staff of the priest  
Sluts grinding the staff of the priestThe congregation  
Revel in sins of the flesh  
They revel in sins of the flesh  
Whores from the temple  
Serving shamanic desire  
They are serving shamanic desireDeviant bodies writhing  
Slick with the fluids of lust  
They are slick with the fluids of lustPerverse rites  
Priests of Sodom preside  
We are damned  
Immortal lust  
Wicked legions come forth  
Defile the pureStatues of demons glisten with sweat  
The orgy intensifies violence begins  
Flagellate sluts with serpentine whips  
They raise their blades to throats of their men  
Climax approaches and the blood will spill  
Sexual sacrifice, mutilation and deathMurderPriests of Sodom  
Priests of Sodom  
Priests of Sodom  
Priests of Sodom  
Priests of SodomSolo: O'BrienPerverse rites  
Priests of Sodom preside  
We are damnedImmortal lust  
Wicked legions come forth
