

Pop Out Revenge (feat. Amari)

Social Club Misfits

I don't know what you be saying girl
When you be tryna talk to me
I filter out the negative, that's my new philosophy
We got us, we got art
I got God, that's from the start
Can't nobody touch my vision
Man, I feel like Tony Stark
When I'm popping out, popping out, yeah, yeah
I'm popping out, popping out, aye
I'm popping out, popping out, yeah
I'm popping out, popping out, aye
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out
I don't ever listen to these other guys
Wanna be a millionaire by 35
Buy my mom a crib tell her quit her job
I don't know, somehow I dodged a 27 club
Woah, yeah nobody like us
These rappers are doing the most, I don't know who I can trust
Told them that I don't do drugs
Believe me, I'm crazy enough
My circle's a period
I'm keeping my family close, keeping my family close
They ask me how it feels that we signed now
I guess we gon' find out
I want to love people like God does
At this point there's no way you can stop us
I don't know what you be saying girl, girl
When you be tryna talk to me
I filter out the negative, that's my new philosophy
We got us, we got art
I got God, that's from the start
Can't nobody touch my vision
Man, I feel like Tony Stark
When I'm popping out, popping out, yeah, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out
I'm popping out, popping out, yeah

I'm popping out, popping out, yeah I don't know what you be saying
Girl don't try to talk to me
I don't want...
That's my new philosophy
All my rings, all my rings
I'm popping out, yeah
I'm popping out, aye, aye, aye Popping out on you like here I am
For them lost boys I'm like Peter Pan
OG they like, "He the man"
Cause I'm classic like a caesar fam
This real life, no make up
When I write it down you better know it
Caddy-riding that new school in that school zone so ever slowly
This that new ocean, I'm ready to swim
All in the room like an elephant
Magazine editor relevant
Got some new rumors, irrelevant
Stay away from those who tell it man
I write down what I feel when I'm feeling it
Capitol Records the label we dealing with
Do you realize what you're dealing with?
If you're all up in your feelings quick
You've been bought with a price, so you innocent
You're the son and daughters of the risen king
That's a new win on the winning team
This for them days we ain't had everything
We write the songs that you have to sing
We filter out all the negative
Honestly our new philosophy
Ferne I don't know what you be saying girl, girl
When you be tryna talk to me
I filter out the negative, that's my new philosophy
We got us, we got art
I got God, that's from the start
Can't nobody touch my vision
Man, I feel like Tony Stark
When I'm popping out, popping out, yeah, yeah
I'm popping out, popping out, aye
I'm popping out, popping out, yeah
I'm popping out, popping out, aye
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out, yeah
I'm popping out, popping out
