

# Drifter In the Dark

## Ween

Do you ever walk alone? (Do you ever walk alone?)  
Like a drifter in the dark (Like a drifter in the dark)  
Seeking out what isn't there (Seeking out what isn't there)  
Looking only for a spark From a girl who's all alone (From a girl who's all alone)  
Maybe she's a-driftin' too (Maybe she's a-driftin' too)  
Like a shadow in the night (Like a shadow in the night)  
Waitin' just to meet with you And then perhaps in love you'll stay (Perhaps in love you'll stay)  
Or fall and go your separate ways (Fall and go your separate ways)  
Still searchin' for a spark (Still searchin' for a spark)  
Like a drifter in the dark  
Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo (da da da da da)  
Doodn doo doo doodn doo Do you ever walk alone? (Do you ever walk alone?)  
Like a drifter in the dark (Like a drifter in the dark)  
Seeking out what isn't there (Seeking out what isn't there)  
Looking only for a spark  
(Like a drifter in the dark)  
(Like a drifter in the dark)  
(Like a drifter in the dark)  
(Like a drifter in the dark)
