

When God Made You

NewSong

Its always been a mystery to me,
How two hearts can come together,
And love can last forever.
But now that I have found you I believe,
That a miracle has come when God sends the perfect one.
So gone are all my questions about why,
And i've never been so sure of anything in my life Oh I wonder what God was thinking, when
he created you.
I wonder if He knew everything I would need,
Because he made all my dreams come true.
When God made you, He must have been thinking about me. Ooo ooo, I promise that wherever
you may go, wherever life may lead you,
With all my heart I'll be there too.
And from this moment on I want you to know,
I'll let nothing come between us, and I will love the ones you love.
So gone are all my questions about why
Oh I wonder what God was thinking when he created you,
I wonder if He knew everythin I would need,
Because He made all my dreams come true.
When God made you, He must have been thinking about me. He made the sun, he made the
moon
To harmonize the perfect tune
One can't do without the other they just have to be together.
And that is how I know its true,
Youre for me and i'm for you
and my world just cant be right
without you in my life Oh I wonder what God was thinking, when he created you.
I wonder if He knew everything I would need,
Because he made all my dreams come true.
When God made you, He must have been thinking about me. He must have heard every prayer
I've been praying.
He must've knew everything I would need
When God made you,
When dremas came true ...
When God made you, He must've been thinking
about me.
