Get Up

Barcelona

Five days after black and red collide The motion sickness past, I'll be the first to stand Behind that weathered door, I thought it would be safest My head is dizzy now, I thought we'd overcome We might not make it home tonightCrawling on the ash, she's pitiful She lost her sense of light, she has to hold my hand Had I known we might be two kids without their jackets My fear would come alive, I wouldn't loathe her now She might not make home tonight

Get up Get up Get up Get up(I need you) Get up Get up
