

# Ultraviolet

## Freya Ridings

[Verse 1]

Keeping it locked away  
A secret on every page  
But now you're getting close  
Feels like a dragon's breath  
Fire against my chest  
Burning through the snow[Chorus]  
I can't hide it, I can't hide it  
From you  
In ultraviolet, ultraviolet  
You see through  
Ooh, ooh  
No, I can't hide it  
When you're ultraviolet

[Verse 2]

Keeping the darkest truth  
Written in lemon juice  
But you don't turn away  
I can feel this magnetic force  
Pull my eyes to yours  
Pupils dilate[Chorus]  
No, I can't fight it, I can't fight it  
Don't want to  
In ultraviolet, ultraviolet  
You see through  
Ooh, ooh  
No, I can't hide it  
You're ultraviolet  
Ooh, ooh  
No, I can't hide it

[Bridge]

You're reading all of me  
Reading all of me  
Reading all of me  
Ooh, ooh  
Not seeing what they see  
Seeing what they see, oh[Chorus]  
I can;t hide it, you're ultraviolet  
Ooh, ooh, ooh  
No, I can't hide, no, I can't hide it  
I can't hide it, you're ultraviolet
