

Bad Blood

Neil Sedaka

It could've been me
But it was you
Who went and bit off
A little bit more
Than he could chew You said that you had it made
but you been had
The woman no good, no how
Thinkin' maybe the blood is bad Bad (bad) blood (blood)
The woman was born to lie
Makes promises she can't keep
With the wink of an eye
Bad (bad) blood (blood)
Brother, you've been deceived
It's bound to change your mind
About all you believe From where I stand
It looks mighty strange
How you let a woman like that
Treat you like small change I don't understand
What you're lookin' to find
The only thing bad blood do
Is mess up a good man's mind
Hear me talkin' now Bad (bad) blood (blood)
The bitch is in her smile
The lie is on her lips
Such an evil child
Bad (bad) blood (blood)
Is takin' you for a ride
The only thing good about bad blood
Is lettin' it slide Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Bad blood, talkin' 'bout bad blood Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Doo-ron, doo-ron, di di, dit, dit, do-ron-ron
Bad blood, here we go Bad (bad) blood (blood)
The bitch is in her smile
The lie is on her lips
Such an evil child Bad (bad) blood (blood)
Is takin' you for a ride
The only thing good about bad blood
Is lettin' it slide The only thing good about bad blood

Is lettin' it slide
