

# goodnight n go

## Ariana Grande

[Verse]

Tell me why you gotta look at me that way  
You know what it does to me  
So baby, what you tryna say? Ayy  
Lately, all I want is you on top of me  
You know where your hands should be  
So baby, won't you come show me? Mmm  
I got you, I got you dreamin'  
You close your eyes and you're screamin'  
Play with your mind for no reason  
I know you love how I tease it  
You know that I'm playin', so don't be mistaken  
You already know what I'm thinkin', boy

[Chorus]

Oh, why'd you have to be so cute?  
It's impossible to ignore you, ah  
Why must you make me laugh so much?  
It's bad enough we get along so well  
Just say goodnight and go  
Oh, oh, oh  
Just say goodnight and go  
Oh, oh, oh  
Just say goodnight and go

[Bridge]

One of these days  
You'll miss your train and come stay with me  
(It's always say goodnight and go)  
We'll have drinks and talk about things  
And any excuse to stay awake with you  
And you'd sleep here, I'd sleep there  
But then the heating may be down again  
(At my convenience)  
We'd be good, we'd be great together

[Chorus]

Why'd you have to be so cute?  
It's impossible to ignore you, ah  
Why must you make me laugh so much?  
It's bad enough we get along so well  
Just say goodnight and go  
Oh, oh, oh  
Just say goodnight and go  
Oh, oh, oh

[Post-Chorus]

I know how you want it, baby, just like this

Know you're thinkin' 'bout it, baby, just one kiss  
While you're lookin' at 'em, baby, read my lips  
I know what you want, but you can't have this[Outro]

Want to say goodnight  
Want to say goodnight and go  
Want to say goodnight  
Baby, say goodnight and go  
Want to say goodnight  
Say goodnight and go
