

Strange Boy (Instrumental)

The Shacks & El Michels Affair

Strange boy make no sense
And in your sock the room [?]
Strange boy, you drink your food
You will like me 'cause i'm new I like you anyway
I like you anyway
You're gonna be famous one day
You'll see You're so strange boy, yeah
You're so strange boy, yeah
You're so strange boy, yeah
You're so strange
Strange boy i'll take you out
I'll drink the cool aid from your card [?]
Strange boy where's your pie? [?]
No care on sleep unless you're high I like you anyway
I like you anyway
You're gonna be famous one day
You'll see
You're so strange boy, yeah
You're so strange boy, yeah
You're so strange boy, yeah
You're so strange You're so strange, boy
You're so strange
