

# Murder

## Blancmange

I was all at sea  
She was lost with me  
Time will surely tell  
Where this leads me to Keep on! You better look out!  
Keep on! You better look out!  
Keep on! You better look out!  
Keep on! Everybody out! Kill me now  
Kill me now  
You don't know what this will lead to  
If you keep on pushing me  
Murder  
Murder  
What do you think?  
Murder  
Tell me now!  
Murder  
Murder  
Murder  
Everybody out! You better watch out
