

One and Only

Rend Collective

Who spoke and taught the sun to rise
whose lips proclaimed the birth of light?
Who sparked the kindling of stars
and set the fire in our hearts? Who sang as planets learned their dance
Who poured the oceans from his hands?
Whose breath awakened life from dust
and leaves me breathless at his touch? Jesus, One and only
Great and holy, we are Yours
How our hearts race at Your glory
Lord, Almighty, we are yours
and yours alone
Who is the man upon a cross
who left his throne to ransom us?
Who died to save us at our worst
and rose to give us heaven's best?
You rose to give us heaven's best!
Jesus, One and only Great and holy, we are yours
How our hearts race, at Your glory
Lord, Almighty
We are yours...
and yours alone!
My Saviour, Jesus, One and Only Great and holy
We are yours
How our hearts race at Your glory
Lord, Almighty, we are Yours
and yours alone!
We will watch the bridegroom come
and heaven break like the dawn
All dressed in white our shame is gone
We're free to dance before your throne
Free to sing, to celebrate
who you are, lord Jesus, One and Only Great and holy
We are yours
How our hearts race, at Your glory
Lord, Almighty
We are Yours
My Jesus, One and Only
Great and holy, we are Yours
How our hearts race at Your glory
Lord, Almighty
We are Yours

and Yours alone
