

Leave a Tip (feat. Splash Drexler)

Ugly God

[Intro]

I'm not going anywhere, Nikko[Verse 1: Ugly God]

Ayy, ayy, ayy, I'm flexin' on my exes

New bitch, she too wavy, yuh

I'm in Houston, Texas touchin' on a few ladies, yuh

I can't trust a nigga, everybody fugazi, yuh

I ain't text you baby, sorry I got too lazy, yuh

In my Jeep back and forth to AutoZone

Sippin' lemonade but I still double up the Styrofoam

Pull up to your crib and serve you up like I was Domino's

Then I hit your bitch, she feel the dick all in her collarbone

Pull up on your bitch and turn her on just like a flashlight

She keep comin' back, she blow my dick just like a bagpipe

Niggas tough on Instagram, but in person they act right

I do this with no effort, I know these niggas mad tight

[Chorus: Ugly God & Splash Drexler]

Yeah, I'm walkin' down the strip with your bitch, I'ma rub her hip

Nigga talkin' shit, put that psh right up on his lip (brrr)

Ayy, I feel like the shit today (I feel like the shit today)

Woke up this morning, I might fuck your bitch today (Drexler, Drexler, Drexler)

Ayy, she gon' suck the tip and leave a tip (and leave a tip)

Ayy, she gon' suck the tip and leave a tip (and leave a tip)

Ayy, she gon' suck the tip and leave a tip (and leave a tip)

Ayy, she gon' suck the tip and leave a tip (Drexler, Drexler, Drexler)[Verse 2: Splash Drexler]

New [?], new [?] bitch

It's a new AK4, no [?]

Got a new K, threw away 'bout five sticks

Bitch I'm Splash Drexler, check my motherfuckin' drip, nigga

Rented Beamer, goin' 110 (skrrrr)

Pocket rocket, Glock with the beam, huh (brrr)

No more wearin' seams (damn)

I know y'all ain't no team, let me fuck your best friend

Me and your bitch booted up at the Waffle House, hope that she ain't anemic (yuh)

Money counter beepin', need a red Hellcat

Push that bitch like a demon (push that hoe)

Tryna get my racks in

We heard that you was that nigga for the [?]

Fresh young nigga Splash Drexler get that pack in (yuh, yuh)

Look, look, look like money (brrr)

Smell like money, ain't a damn stain on me

Ayy, fresh young nigga

Bitch, I'm that nigga, ain't a damn stain on me (huh)

[Chorus: Ugly God & Splash Drexler]
Yeah, I'm walkin' down the strip with your bitch, I'ma rub her hip
Nigga talkin' shit, put that psh right up on his lip (brrr)
Ayy, I feel like the shit today (I feel like the shit today)
Woke up this morning, I might fuck your bitch today (Drexler, Drexler, Drexler)
Ayy, she gon' suck the tip and leave a tip (and leave a tip)
Ayy, she gon' suck the tip and leave a tip (and leave a tip)
Ayy, she gon' suck the tip and leave a tip (and leave a tip)
Ayy, she gon' suck the tip and leave a tip[Outro]
