

Hold Up

Demi Lovato

If the weapon is your love
I got my hands up
If the weapon is your love
I got my hands up
I'd say hold up
broken out of nowhere, showed up
I'm not
This haste got me skipping a heart beat
I'm giving up
I wanna run, run, run away
In your getaway car
make a getaway
If the weapon is your love
I got my hands up
If you're gonna take me down
I surrender
I'll give you anything you want
Just to leave me alone
This is a hold up
this is a hold up
If the weapon is your love
I got my hands up
Hey, stranger
I'm addicted to the danger
of the touch
Now you're wanted
Better keep me as your hostage
Tie me up
I wanna run, run, run away
In your getaway car
make a getaway
If the weapon is your love
I got my hands up
If you're gonna take me down,
I surrender
I'll give you anything you want
Just to leave me alone
This is a hold up
this is a hold up
Everybody get down
Get down on the floor, floor
Everybody get down
Nobody gets hurt, hurt
If the weapon is your love
I got my hands up
If you're gonna take me down,
I surrender
I'll give you anything you want
Just to leave me alone
This is a hold up

this is a hold up
If the weapon is your love
I got my hands up
If you're gonna take me down
I surrender
I'll give you anything you want
Just to leave me alone
This is a hold up
this is a hold up
If the weapon is your love
I got my hands up
If the weapon is your love
I got my hands up
