

God Bless America

The Irish Tenors

While the storm clouds gather far across the sea
Let us swear allegiance to a land that's free
Let us all be grateful for a land so fair
As we raise our voices in a solemn prayer God bless America, land that I love
Stand beside her and guide her
Through the night with a light from above
From the mountains, to the prairies
To the oceans, white with foam
God bless America, my home sweet home
God bless America, land that I love
Stand beside her and guide her
Through the night with a light from above
From the mountains, to the prairies
To the oceans, white with foam
God bless America, my home sweet home
God bless America, my home sweet home
