

Deep Colors Bleed

Systematic

Regress - Possession - No likeness
Impress - No virtue - In humbling
In room beyond the view
You choose to tremble in
Drawn and quartered institution
This place is set. No feeling stronger than numbing
Blankest expressions - you're calling. Repressed - Adore you - They bought it
Suggest - It's no use - Lay dormant.
In room beyond the view
You choose to tremble in
Reinventing Christ who died
To make it make some sense. No feeling stronger than numbing
Blankest expressions - your calling.
Calling you. No feeling stronger than numbing
Blankest expressions - your calling. Calling you.
