

All I Have (feat. Diane Birch) [Live]

Mat Kearney

Here we go at it three years later
Will you help me to dream it all up again
Tired of the same song everyone's singin'
I'd rather be lost with you instead Don't you come around here, come around here anymore
Draggin' my fears, draggin' my fears
Out the door
All I have, all I have, all I have
Well, you know it's yours
Every breath, every step, every moment
I'm looking for
All I have, all I have, all I have
Is yours
And you watch my heart break a little bit more
My heart break a little bit more
My heart break a little bit more
Is it cold yet in New York City?
'Round here the trees been blowin' up red
And everyone's talkin' about change on the airwaves
But I still got you on my breath Come around here, come around here anymore
Draggin' my fears, draggin' my fears
Out the door
All I have, all I have, all I have
Well, you know it's yours
Every breath, every step, every moment
I'm looking for
All I have, all I have, all I have
Is yours
And you watch my heart break a little bit more
My heart break a little bit more
Lord I'm still trying to do my hardest
To pick us all up from a fall
Rip the little corner off the darkness
Just to crack the light in the middle of it all All I have, all I have, all I have
Well, you know it's yours
Every breath, every step, every moment
I'm looking for
All I have, all I have, all I have
Is yours
If you watch my heart break a little bit more
My heart break a little bit more
My heart break a little bit more

Little bit more, little bit more, little bit more
