

# I Want Your Love

Chic

I want your love

I want your love

I want your love

I want your love

Do you feel like you ever want

To try my love and see how well it fits?

Baby, can't you see when you look at me

I can't kick this feelin' when it hits

All alone in my bed at night

I grab my pillow and squeeze it tight

I think of you and I dream of you all of the time

What am I gonna do?

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

Sometime, don't you feel like you

Never really had a love that's real?

Well, here I am and who's to say

A better love you won't find today

Just one chance and I will show you love

like no other, two steps above

On your ladder I'll be a peg

I want your lovin', please don't make me beg

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I want your love

I need your love

I'll share my dreams and make you see

I'm really there, your love I need

I want your love

I need your love

Just like the birds need sky above  
I'll share my dreams and make you see  
I'm really there, your love I need  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love
