

Twisted Transistor

Korn

Hey you, hey you
Devil's little sister
Listening to your
Twisted transistor Hold it between your legs
Turn it up, turn it up The wind is coming through
Can't get enough
A lonely life Where no one understands you
But don't give up
Because the music do
Music do, music do
Music do, music do
Music do, music do
Because the music do
And then it's reaching Inside you
Forever preaching Fuck you too!
Your scream's a whisper
Hang on you Twisted transistor
Hey you, hey you
Finally you get it
The world ain't fair Eat you if you let it
And as your tears fall on
Your breasts, your dress
Vibrations coming through
You're in a mess
A lonely life
Where no one understands you
But don't give up
Because the music do
Music do, music do Music do, music do
Music do, music do
Because the music do
And then it's reaching
Inside you
Forever preaching
Fuck you too!
Your scream's a whisper
Hang on you
Twisted transistor
Music do, music do
Music do, music do
Music do, music do
Music do, music do

Hey you, hey you
This won't hurt a bit
This won't hurt a bit, this won't hurt
Says who, says who
Anesthetize this bitch
Anesthetize this bitch, anesthetize
Just let me be
Between you and me, don't fit
Music do
And then it's reaching
Inside you
Forever preaching
Fuck you too!
Your scream's a whisper
Hang on you
Twisted transistor
