Last In Love

[Nicolette Larson](#)

Blues outside my door
I don't even know if it's raining
But I've been here before and I don't wanna be here againEvery now and then voices on the wind
Call me back to the first time
Far away and clear you can hear the teardrops
Falling for the last in love
If I let you down all I can say is I'm sorry
Now it's all over town so I don't wanna hear it from you
But please don't look away it's hard enough to say
This could go on forever
When the night is clear I can hear the teardrops
Fallin for the last in lovepiano solo
Every now and then I hear voices in the wind
I may love you always and always
Far away and clear you can hear the teardrops
Falling for the last in love
Calling for the last in love
Will we always be the last in love
