

# Your Day Will Come

## Son Lux

Close your eyes  
Swallow the sun  
You have only just begun  
begun Your day will come  
Your day will come  
From deep inside you  
Your day will come  
Your day will come  
Your day will come  
And from deep inside you  
Your day will come So open your ears  
Open your ears  
And tell me what you hear  
And tell me what you hear  
Tell me what you hear  
Tell me what you hear  
Oh tell me what you hear  
Tell me what you hear  
Tell me what you hear  
Tell me what you hear  
Oh tell me what you hear  
Tell me what you...  
Close your eyes
