## The Black Angels

My old car keeps breaking down  
My new car ain't from japan  
There's already too many Datsuns  
In this town Another thing that's bugging me  
Is this commercial on t.v.  
Says that Detroit can't make good cars  
any more Motor City  
Who's driving my car?  
Who's driving my car now?  
Whooooo? My army jeep is still alive  
Got locking hubs and four wheel drive  
Ain't got no radio, ain't got no mag wheels  
Ain't got no digital clock Ain't got no clock The paint job is lookin' blue  
The whitewalls are missing too  
But I guess until I get my car back  
This'll do Who's driving my car now?
