

# Psycho

## Puddle of Mudd

Maybe I'm the one  
Maybe I'm the one  
Who is  
The schizophrenic psycho yeah Maybe I'm the one  
Maybe I'm the one  
Who is  
The schizophrenic psycho yeah She lays down on the fresh lawn  
She can make everything magical  
But she tied one on big time  
And it makes me want to rewind To back in the days when we were young  
When everything was like a loaded gun  
Ready to go off in any minute  
And you know we're gonna win again  
Yeah you know we're gonna win again  
Yeah you know we're gonna win again Maybe I'm the one  
Maybe I'm the one  
Who is  
The schizophrenic psycho yeah Maybe I'm the one  
Maybe I'm the one  
Who is  
The paranoid flake-oh yeah She lays down on the sidewalk  
Never very analytical  
She is something simply beautiful  
Reappear with youth and magical  
Back in the days when we were young  
When everything was like a loaded gun  
Ready to go off in any minute  
Yeah you know we're gonna win again Maybe I'm the one  
Maybe I'm the one  
Who is  
The paranoid freak-oh I'm the one  
I'm the one  
Who is  
The schizophrenic psycho  
I'm the one  
I'm the one  
Who is  
The schizophrenic psycho You're the one  
You're the one  
Who is  
The schizophrenic psycho  
Back in the days when we were young

When everything was like a loaded gun  
Ready to go off in any minute  
And you know we're gonna win again  
Maybe I'm the one  
Maybe I'm the one  
Who is  
The schizophrenic psycho yeah  
Maybe I'm the one  
Maybe I'm the one  
Who is  
The paranoid flake-oh  
You're the one  
You're the one  
Who is  
The schizophrenic psycho  
(Maybe I'm the one)  
(Maybe I'm the one)  
(Who is...)  
(Who is the schizophrenic psycho)  
You're the one  
You're the one  
Who is  
The schizophrenic psycho  
(Maybe I'm the one)  
(Maybe I'm the one)  
(Who is...)  
(Who is the schizophrenic psycho)  
You're the one  
You're the one  
Who is the schizophrenic psycho
