

# Cold Front

Laura Welsh

Don't wanna think about it  
Don't need a picture of it  
I think we've traveled enough  
No resolution to it  
Constant confusion  
The kind that tears you up So could we alter the lies?  
Could we open the night?  
The signs are screaming at us  
The signs are screaming Silently we're breaking (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now (Oh)  
I can see you fading (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now Can we just talk about it  
Instead of escaping from it?  
I think we've wandered enough  
Cold front with every movement  
The bittersweet embrace  
The kind that feels too much So could we alter the pace?  
Could we open the race?  
The signs are screaming at us  
The signs are screaming  
Silently we're breaking (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now (Oh)  
I can see you fading (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now (Oh) I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now You're afraid of falling over the line  
You're afraid of falling over the line  
You're afraid of falling over the line  
You're afraid of falling over the line Silently we're breaking (Oh)  
I don't wanna leave you now (Oh)  
I don't wanna leave you now (Oh)  
I can see you fading (Oh)  
I don't wanna leave you now (Oh)

I don't wanna leave you now (Oh)I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now  
I don't wanna leave you now
