Baby

Baby, baby, baby, baby
Don't you know that you're so fine?
Baby, baby, baby, baby
Think about you all the timeGuess it's time to say, baby, baby
How you make me feel when you come to mind
I can't keep my cool, baby, baby
I can't hold it insideI can't wait each day just to see you walk
Tryin' to move in close to get to where you are
Not tryin' to be rude, baby, baby
Nothing ventured, nothing gained
So I'm telling you
Baby, baby, baby, baby
Don't you know that you're so fine?
Baby, baby, baby, baby
Think about you all the timeWords just ain't enough, baby, baby
But that's all I can use to state my intentions
Hope it gets to love, baby, baby, yeah
It's the perfect situation'Cause we fit together like a hand in glove
Just to be with you is all I'm thinking of, ooh yeah
What else can I say, baby, oh baby
We are alone and I'm singing this song to you, babyBaby, baby, baby, baby
Don't you know that you're so fine?
Baby, baby, baby, baby
Think about you all the time
Baby, baby, baby, baby
