

We Are

ONE OK ROCK

They think that we're no one
We're nothing, not sorry
They push us
It's too late, it's too late
not going back.
???? ??????
????? ??????????
????? ?????????
???????? ??????????????
When you're standing on the edge
So young and hopeless
Got demons in your head
We are, we are
No ground beneath your feet
Now here to hold you
'Cause we are, we are
The colors in the dark
??? ?????
?????? ??????????????
They are the weakest
They don't even know
Anything they say
Will never break our hearts of gold
When you're standing on the edge
So young and hopeless
Got demons in your head
We are, we are
No ground beneath your feet
No here to hold you
'Cause we are, we are
The colors in the dark
Never tell yourself
"You should be someone else"
Stand up tall and say
"I'm not afraid, not afraid"
So never tell yourself
"You should be someone else"
Stand up tall and say
"I'm not afraid, not afraid"
When you're standing on the edge
So young and hopeless
Got demons in your head

We are, we are
No ground beneath your feet
Now here to hold you
'Cause we are, we are
The colors in the dark
