

# Sneakin' Sally through the Alley

Robert Palmer

Sneakin' sally through the alley  
Trying to keep her out of sight  
Sneakin' sally through the alley  
When up pops the wife I said, ah I can't find nothing wrong with being friends cos sometimes  
She lets me use the car  
She said if you can't find nothing wrong with your mind  
You'd better, you'd better find something wrong with her, her  
So I began to try to explain that it just wasn't, just wasn't what she thought oh  
I'd better find something to do with my time  
The fact is oh I've just been caught  
Sneakin' sally through the alley  
Trying to get away clean  
Sneakin' sally through the alley  
Oh, when up pops the queen Trying to double talk, get myself in trouble talk, catching myself in  
lies  
Catching myself in lies  
Mama just looked at me as if I was, ah, crazy  
And didn't even bat an eye  
So I began to try to explain, that it just wasn't, just wasn't what she thought oh  
I'd better find something to do with my time  
The fact is aaaah just been caught,  
Sneakin' sally through the alley  
Just been caught,  
Oh, oh, Sneakin, sneakin, sneakin,  
Sneakin' sally through the alley  
Sneakin' sally through the alley  
Trying to get away clean  
Sneakin' sally through the alley with sally  
Oh, when up pops the queen Sneakin' sally through the alley with sally  
Sneakin' sally through the alley with sally
