

SPEEDBOAT

Denzel Curry

I went from sticking pennies in the jar
To offshore bank accounts
See me and Malcolm Don X is lucrative I'm talking big money, big chains, big guns nigga
More power Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)
Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24 Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)
Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24
Put a red beam to your head like Arby's
Either go to school, go to jail or the army
Keep a close eye on the things tryna harm me
Warn me if anybody try to swarm me (Uh)
Invest in a rock and a Rottweiler
Pile up hella stacks when the bills pile up
Dollar, it's the only way to get the style up
Riled up 'cause you motherfuckers used the dial up
My dawg is gone and the result is to have my teflon
Christian Dior and the fashion beyond
Talking Polo, call me Polow da Don
Throw some d's on the thong
I got hella keys in the phone
I put hella G's in the vault
It took only three to assault (Damn)
Jesus, please deliver us from evil
Please pray over all my people
What you see in life's illegal
I don't wanna use my Desert Eagle Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)
Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24 Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)

Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24
Pouring out scotch
Gas, all in my brain, if human get in my thoughts
Thinking 'bout intricate plots
To get out the hood, that's when I started to jot
Not given the opportunity to let the devil ruin me (No)
Even though the jewelry froze, ice cubes get depot
Word on the street, everything heat
Everything hot boy, Texas peat
Pulled up in a Lexus and a Jeep
All black, no tag, time for the sweep
Too many guns, too many sons
Lost in the river of blood in these streets
Master of none, pastors and nuns
Let's bow our heads for the ceremony
Jesus, please deliver us from evil
Please pray over all my people
What you see in life's illegal
I don't wanna use my Desert Eagle
Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)
Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24
Big talk, speedboat (Speedboat)
Pray to God, I don't get repoed (Repoed)
Didn't go to college for a free throw (Swish)
People getting killed through the peep hole (Blah)
Have your money up before you go to war (Hmm)
Put the mask on like a luchador (Hmm)
My dawg didn't make it to 21, so I gotta make it past 24
Fo', fo', fo'
Fo', fo', fo'
Fo', fo', fo'
