

# True

## Ryan Cabrera

I won't talk  
I won't breathe  
I won't move 'till you finally see  
That you belong with me You might think I don't look  
But deep inside in the corner of my mind  
I'm attached to you  
Hmmm I'm weak, it's true  
'Cause I'm afraid to know the answer  
Do you want me too?  
'Cause my heart keeps falling faster  
I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide  
It's time to try anything to be with you  
All my life I've waited  
This is true You don't know what you do  
Everytime you walk into the room  
I'm afraid to move I'm weak, it's true  
I'm just scared to know the ending  
Do you see me too?  
Do you even know you met me? I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide  
It's time to try anything to be with you  
All my life I've waited  
This is true  
I know when I go  
I'll be on my way to you  
The way that's true  
I've waited all my life to cross this line  
To the only thing that's true  
So I will not hide  
It's time to try anything to be with you  
All my life I've waited  
This is true
