

# Break Shit

Jasiah

[Chorus]

Ayy, fuck you (Bitch) and the clique that you came with  
I ain't for the bullshit, I just need my payment  
Fuck you (Bitch), leave yo' ass on the pavement (Brr, brr)  
This the type of night, me and my niggas tryna break shit (Brr, hey, hey)  
Fuck you (Bitch) and the clique that you came with  
I ain't for the bullshit, I just need my payment  
Fuck you (Bitch), leave yo' ass on the pavement  
This the type of night, me and my niggas tryna break shit (Brr, brr, brr, hey, hey)[Verse]  
Cruising down the street with my niggas, we gorillas (Skrrt, skrrt, skrrt)  
I don't give a fuck where I am, I'm fuckin' villain (Villain)  
No, you can't hang, boy, you plain, you vanilla (You vanilla)  
Fuck the one-percent of crackers, mad 'cause I'm a nigga (Ayy)  
I kill 'em, don't need no hitters (No hitters)  
My niggas rich, makin' high-percentage (High-percentage)  
Appreciate me, I'm no rookie or beginner  
Talkin' to me crazy, you gon' make me turn to villain

[Chorus]

Ayy, fuck you (Bitch) and the clique that you came with (Fuck it up)  
I ain't for the bullshit, I just need my payment  
Fuck you (Bitch), leave yo' ass on the pavement  
This the type of night, me and my niggas tryna break shit  
Ayy, fuck you (Bitch) and the clique that you came with  
I ain't for the bullshit, I just need my payment  
Fuck you (Bitch), leave yo' ass on the pavement  
This the type of night, me and my niggas tryna break shit[Bridge]  
Fuck it, fuck it  
Fuck it up  
I ain't for the bullshit, I just need my payment  
Fuck it, fuck it  
Fuck it up  
This the type of night, me and my niggas tryna break shit

Ayy, fuck you (Bitch) and the clique that you came with
