(Ohhh Ohhhh Yeahh

With no, no interruptions i just want it  
to be me and yooou

i, i just need my one on one time with you, youuu

i just can't help it when it come down  
to you (oh-ooo)

Im down on my knees waiting to hear from you, yooou

I have so many questions that i need answers to, tooo

i lift my hand to you

to you(one on one time)

I, (ooh i) i just need my one on one time, with you, you

i just can't help it, when it come down
