

Without the Love

Demi Lovato

(Oohh, oohh)
(Oohh, oohh)
(Oohh, oohh) You pull my strings and push my soul
You fool my heart with every note
You drop the beat and kiss my face
You make me move, then cut the base
And you work so hard to get me just to let me go
Yeah, you put me in the spotlight just to steal the show
And you try to take me home like you're DiMaggio, oh
It's such a joke
Why are you singing me love songs?
What good is a love song?
What good is a love song, without the love?
Why are you singing me love songs?
What good is a love song?
What good is a love song, without the love? Why are we acting like lovers?
We don't know each other
Even though we used to rule the world
Why are you singing me love songs?
What good is a love song? (a love song)
A love song, without the love I'm so confused, it's getting old
You wear your ring, but leave me cold
You're beautiful, but cause me pain
You play my heart like it's a game
And you work so hard to get me just to let me go
Yeah, you put me in the spotlight just to steal the show
And you try to take me home like you're DiMaggio, oh, oh, oh
It's criminal Why are you singing me love songs?
What good is a love song?
What good is a love song, without the love?
Why are you singing me love songs?
What good is a love song?
What good is a love song, without the love? Why are we acting like lovers?
We don't know each other
Even though we used to rule the world
Why are you singing me love songs?
What good is a love song? (a love song)
A love song, without the love This is the bending for the break (the break)
When we forget the harmony
This is how water colors fade into destined memories Why are you singing me love songs?
What good is a love song?
What good is a love song, without the love?
Why are you singing me love songs?

What good is a love song?
What good is a love song, without the love? Why are we acting like lovers?
We don't know each other
Even though we used to rule the world (used to rule the world)
Why are you singing me love songs?
What good is a love song? (a love)
A love song, without the love (Oohh, oohh)
Without the love
(Oohh, oohh)
Without the love
(Oohh, oohh)
Without the love
(Oohh, oohh)
Without the love
