

# Parties At the Disco (feat. ZZ Ward)

## Asher Roth

Thinking bout the  
Oh, oh, oh, oh, oh  
Got me feeling wishful  
Thinking bout the  
Oh, oh, oh, oh, oh  
Parties at the Disco  
If i could fly, I would fly  
I would fly, I would fly away  
From here (here)  
(You might get ugly, just because it's hard to make ends meet  
But all the money don't mean shit  
If you ain't here with me)  
Cause the cash rules everything around  
So, every now and then  
Feeling like I'm out of town  
Got a chill, sit down, remember how to be a child  
Wide eyes with a smile  
What? When? Where? How?  
Styles of nostalgic  
Lisp and a cowlick  
Jumped to the moon  
With a spoon and a spatula  
Trapped in the past  
Thinking how do we get back to it  
Got that funny, funny feeling at last  
Thinking bout the  
Oh, oh, oh, oh, oh  
Caught me feeling wishful  
Thinking bout the  
Oh, oh, oh, oh, oh  
Parties at the Disco  
If i could find, i would find  
I would find, I would find a way  
My dear (my dear)  
(You might get ugly, just because it's hard to make ends meet  
But all the money don't mean shit  
If you ain't here with me)Yeah  
To get some, you give some  
So pick one  
Lose some, you win some  
So have fun  
Don't stress, just do flips

Just press on  
Mood twists, the shoe fits  
You step on  
Keep walking down the path that you meant for  
Dog barking at the cat is essential  
We will always come back to the threshold  
But, first  
You gotta let goThinking bout the  
Oh, oh, oh, oh, oh  
Caught me feeling wishful  
Thinking bout the  
Oh, oh, oh, oh, oh  
Parties at the Disco
