

# Wake Up Everybody

## John Legend & The Roots

Wake up everybody, no more sleepin' in bed  
No more backward thinkin' time for thinkin' ahead  
The world has changed so very much from what it used to be  
So there is so much hatred war an' poverty Wake up all the teachers, time to teach a new way  
Maybe then they'll listen to whatcha have to say  
'Cause they're the ones who's coming up and the world is in their hands  
When you teach the children, teach 'em the very best you can The world won't get no better  
If we just let it be  
The world won't get no better  
We gotta change it, yeah, just you and me  
Wake up all the doctors, make the ol' people well  
They're the ones who suffer an' who catch all the hell  
But they don't have so very long before the judgment day  
So won'tcha make them happy before they pass away? Wake up all the builders, time to build a  
new land  
I know we can do it if we all lend a hand  
The only thing we have to do is put it in our mind  
Surely things will work out, they do it every time  
The world won't get no better  
If we just let it be  
The world won't get no better  
We gotta change it, yeah, just you and me
