

Jack N the Box

Ice Cube

The westcoast warlord.
Tha grime wizard
Ice cube
Mothafking head so big they
Call him jack n tha box.Ima superhero, like lubert rigno
Maybach deniro, look like a zero
Shine the spotlight, this is my night
Get your cameras ready, let it rain confetti
I'm a champion, I do what can't be done
In the real league nerd not the fantasy one
Throw your hands up, you can cheer for your boy
When I hit the stage get a ear full of noise
When I bring the noise from here to illinoise
Muthafkaz love when I do what it does
I'm allstar, superstar entertainer
World class, first ballad hallafamer.
Some rappers claim that they got a heart full of anger
How when your lyrics were written by a stranger
Fool I'm the greatest, you just the latest
I'm loved by ya grandmama, and ya babies
See my head is so big they call me jack n the box
You can't impress me, so fk what you got
I say my head is so big they call me jack n the box
Don't talk about money cause I'm stacking a lotShine that light on me, put that light on me
Cause I was sent to the world, by G O D
Shine that light on me, put that light on me
Cause I was sent to the world, by G O DI was a born loser, I was a born sinner
Now I am a winner, in the convention centre
I got to take a bow, cause I still wonder how
The system didn't get me when I was a juvenile (just think)
Just think if I had got locked up
No boys n the hood thanks to america
No eazy N W A no fried day
Don't let ya muthafking talent go to waste
Don't catch a case cause these people got a place
To throw your life away and take you right out the waist
Throw your hands up, you got to man up
I had to show the world, what I was made of
What yu say blood, I was a slave cuz
Now I'm VIP, up in vegas
I'm up in nike town, so how you like me now
See the whole industry had to bite my style

See my head is so big they call me jack n the box
I knew we would win, so I'm bragging a lot
I say my head is so big they call me jack n the box
My shit is so dope, it's like cracking a pop
Shine that light on me, put that light on me
Cause I was sent to the world, by G O D
Shine that light on me, put that light on me
Cause I was sent to the world, by G O D
Now mama don't be mad, I got to show my ass
And thank these muthafkaz for my past
I got to let them know I neva brake like glass (neva)
What you looking at is top notch world class
Now mama don't be mad, I got to show my ass
And thank these muthafkaz for my past
I got to let them know I neva brake like glass (neva)
What you looking at is top notch world class
See my head is so big they call me jack n the box
You can't impress me, so fk what you got
I say my head is so big they call me jack n the box
Don't talk about money cause I'm stacking a lot
Shine that light on me, put that light on me
Cause I was sent to the world, by G O D
Shine that light on me, put that light on me
Cause I was sent to the world, by G O D
