

# You Know How We Do It

## Ice Cube

Yeah... yeah!

Fool -- you know how we do it West Side

Comin from the West Side

Nothin but the West Side Ain't nuttin goin on but the bomb-ass rap song

Hittin all night long

Just like me on the black and white ivory

Gettin six on artillery, you don't want to see a G

Break yo' ass like dishes

Buster-ass tricks, sleep with the fishes

Runnin from Lennox, up at Venice

They wanna have me in stripes, like Dennis the Menace

But that ain't poppin, ain't no stoppin

Fo'-hoppin, ass droppin, Coupe DeVille

My truth can, ill - fool I got skills

So, back on up 'fore I check that chin

Down as fuck and I'm full off Henn'

You gets no love and I thought you knew it

Fool, you know how we do it

Comin from the West Side

West Side, comin from the West Side Chillin with the homies, smellin the bud

Double parked and I'm talkin to Dub

about who got a plan, who got a plot

whom got got, and who got shot

Cause everybody knows that he got the info

Crazy Toones hangin out the window

Fool I got them bomb-ass tapes

Da Lench Mob, \_Planet of the Apes\_

I'm down with Eiht, and \_Watts Up\_

Kam is solo, they got nuts

When Ice Cube write a sentence

I want "The Bomb," just like George Clinton

S-K-D is down to catch a body

Put on \_Knee Deep\_, we'll turn out your party

You gets no love and I thought you knew it

Fool, you know how we do it

You know how we do it Jack B. Nimble, and Jack B. Quick

if you wanna jack me on a lick, cause

I'm that fool from South Central

You think you stuck yourself, with a number 2 pencil

That's how I poke hot lead in yo' ass

With "Mo' Bounce to the Ounce" in the dash

Mash up, Ve-nice, headed for the West

Everything is great, slow down for the dip  
On a 100 and 8th and keep mashin  
Don't drink and drive to keep the fo' from crashin  
Stashin a glock and I thought you knew it  
You know how we do it Comin from the West Side, West Side  
Nuttin but a West Side  
It's hittin on the West Side  
Fool, you know how we do it
