

This Is the New Shit

Marilyn Manson

Everything has been said before,
There's nothing left to say anymore;
When it's all the same, you can ask for it by name.
Babble, babble, bitch, bitch
Rebel, rebel, party, party
Sex, sex, sex and don't forget the violence
Blah, blah, blah, got your lovey-dovey, sad-and-lonely
Stick your stupid slogan in
Everybody sing along
Babble, babble, bitch, bitch
Rebel, rebel, party, party
Sex, sex, sex and don't forget the violence
Blah, blah, blah, got your lovey-dovey, sad-and-lonely
Stick your stupid slogan in
Everybody sing
Are you motherfuckers ready for the new shit?
Stand up and admit tomorrow's never coming
This is the new shit
Stand up and admit
Do we get it? "No!"
Do we want it? "Yeah!"
This is the new shit
Stand up and admit
Babble, babble, bitch, bitch
Rebel, rebel, party, party
Sex, sex, sex and don't forget the violence
Blah, blah, blah, got your lovey-dovey, sad-and-lonely
Stick your stupid slogan in
Everybody sing along
Everything has been said before
There's nothing left to say any more
When it's all the same
You can ask for it by name
Are you motherfuckers ready for the new shit?
Stand up and admit tomorrow's never coming
This is the new shit
Stand up and admit
Do we get it? "No!"
Do we want it? "Yeah!"
This is the new shit
Stand up and admit
And now it's "you know who"
I got the you know what
I stick it you know where
You know why; you don't care

And now it's "you know who"
I got the you know what
I stick it you know where
You know why; you don't care
And now it's "you know who"
I got the you know what
I stick it you know where
You know why; you don't care
And now it's "you know who"
I got the you know what
I stick it you know where
You know why; you don't care
Babble, babble, bitch, bitch
Rebel, rebel, party, party
Sex, sex, sex and don't forget the violence
Blah, blah, blah, got your lovey-dovey, sad-and-lonely
Stick your stupid slogan in
Everybody sing
Are you motherfuckers ready for the new shit?
Stand up and admit tomorrow's never coming
This is the new shit
Stand up and admit
Do we get it? "No!"
Do we want it? - "Yeah!"
This is the new shit
Stand up and admit
So, let us entertain you
So, let us entertain you...
So, let us entertain you
So, let us entertain you...
Blah, blah, blah, blah everybody sing along
