

# Afterglow

## Taylor Swift

I blew things out of proportion, now you're blue  
Put you in jail for something you didn't do  
I pinned your hands behind your back, oh  
Thought I had reason to attack, but no fighting with a true love is boxing with no gloves  
Chemistry 'til it blows up, 'til there's no us  
Why'd I have to break what I love so much?  
It's on your face, and I'm to blame, I need to say Hey, it's all me, in my head  
I'm the one who burned us down  
But it's not what I meant  
Sorry that I hurt you  
I don't wanna do, I don't wanna do this to you (Ooh)  
I don't wanna lose, I don't wanna lose this with you (Ooh)  
I need to say, hey, it's all me, just don't go  
Meet me in the afterglow  
It's so excruciating to see you low  
Just wanna lift you up and not let you go  
This ultraviolet morning light below  
Tells me this love is worth the fight, oh I lived like an island, punished you in silence  
Went off like sirens, just crying  
Why'd I have to break what I love so much?  
It's on your face, don't walk away, I need to say Hey, it's all me, in my head  
I'm the one who burned us down  
But it's not what I meant  
Sorry that I hurt you  
I don't wanna do, I don't wanna do this to you (Ooh)  
I don't wanna lose, I don't wanna lose this with you (Ooh)  
I need to say, hey, it's all me, just don't go  
Meet me in the afterglow  
Tell me that you're still mine  
Tell me that we'll be just fine  
Even when I lose my mind  
I need to say  
Tell me that it's not my fault  
Tell me that I'm all you want  
Even when I break your heart  
I need to say Hey, it's all me, in my head  
I'm the one who burned us down  
But it's not what I meant  
Sorry that I hurt you  
I don't wanna do, I don't wanna do this to you (Ooh)  
I don't wanna lose, I don't wanna lose this with you (Ooh)  
I need to say, hey, it's all me, just don't go
