

# Breaking Apart (with Trisha Yearwood)

Chris Isaak

Just another day without you  
I'll be okay without you  
I'll be all right I'll find somebody new without you  
Somebody just like you but not you  
I'll be all right  
I said I'll be all right But  
I'm breaking apart inside  
I'm breaking apart inside  
I cry in my sleep at night  
I'm breaking apart without you  
I hardly ever think about you  
You said I'd call, but I don't need to  
I'll be fine I got so much to do without you  
You said that I'd be lost without you  
I'll be fine  
Just give me time 'Cause  
I'm breaking apart inside  
I'm breaking apart inside  
I cry in my sleep at night  
I'm breaking apart without you And I'm hoping you're doing fine, too I don't want to sleep  
without you  
Dreams don't mean a thing without you  
I feel so alone without you  
Baby, come back, I need you  
I'm breaking apart inside  
I'm breaking apart inside  
I cry in my sleep at night  
I'm breaking apart without you And I'm wonderin' if you're doing fine, too
