

# Tears of Gold (Goldhouse Remix)

Faouzia

Mama always told me that I was too naive  
Gave away my trust for pennies I said 'Don't you worry'  
Didn't think that I'd be broken down and crying  
Help me Wrecked? Check  
Heart? In debt  
All you do is come around  
Just came here to collect  
Wrecked? Check  
Heart? In debt  
Don't you know that I cried tears of gold for you  
I sit here poor for you  
Collect my pennies and my dimes  
That's why you love it when I cry  
Platinum love for you  
I'd give no less for you  
Generosity's my enemy  
So I'm broke and your heart's rich  
Because of me Know that this is my fault  
Gave a little too much  
Knew that this was gonna happen  
But I'm not gonna lie  
You can make me cry  
A thousand times  
I come running back like  
What is going on with my head? Wrecked? Check  
Heart? In debt  
All you do is come around  
Just came here to collect Wrecked? Check  
Heart? In debt  
Don't you know that I cried tears of gold for you  
I sit here poor for you  
Collect my pennies and my dimes  
That's why you love it when I cry Platinum love for you  
I'd give no less for you  
Generosity's my enemy  
So I'm broke and your heart's rich  
Because of me And the worst part is I'd do it all over again  
No, the worst part is I know it's never gonna end  
I keep coming right back like a maniac  
I keep coming right back like -Oh, oh And the worst part is I'd do it all over again  
No, the worst part is I know it's never gonna end  
I keep coming right back like a maniac I cried tears of gold for you

I sit here poor for you  
Collect my pennies and my dimes  
That's why you love it when I cry Platinum love for you  
I'd give no less for you  
Generosity's my enemy  
So I'm broke and your heart's rich  
Because of me
