

# Can I Get a Witness

## SonReal

Shots fired  
Back to the future  
Catching air like I hit a floaty buddha  
Move, bitch, out the way like I'm Luda  
I'm making moves like I'm doing Kama Sutra  
Doing kama sutra  
Move, bitch, out the way like I'm Luda  
Doing kama sutra  
Move, bitch, out the way like I'm Luda, hold up  
"I fell in love with you 'cause you made me feel  
I fell in love with you 'cause you kept it real  
Man, you done changed up on me, you changed your flow  
Now I been hating on you everywhere I go"  
Um, hold up  
No, I ain't too flawless and no, I ain't the best  
And no, I don't say sorry and no, I ain't perfect  
But I am the man, I am the man  
Shots fired  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
Back to my business  
Used to dreaming, now I'm on fuckin' ladies  
Kill this shit, mister, can i get a witness  
Yelling "Move, bitch" like we doing fitness  
Can I get a witness?  
Yelling "Move, bitch" like we doing fitness  
Can I get a witness?  
Yelling "Move, bitch" like we doing fitness  
"I fell in love with you off that first mixtape  
I fell in love with you 'cause rap ain't my thing  
I thought that you were different, I guess I's wrong  
'Cause I ain't fucking with none of your new songs"  
Um, hold up  
No, I ain't too flawless and no, I ain't the best  
And no, I don't say sorry and no, I ain't perfect  
But I am the man, I am the man  
Shots fired  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
La-dee-da-dee-da-dee-da-da-da  
I am the man, no, I ain't aim for no crown  
But when you mention them, no, don't leave me out  
No, I ain't too flawless and no, I ain't the  
best  
And no, I don't say sorry and no, I ain't perfect  
But I am the man, I am the man  
Shots fired
