

# Bad Idea (feat. Jason Mraz)

Sara Bareilles

It's a bad idea, me and you  
It's a bad idea, me and you  
I've never known anything so true  
It's a terrible idea, me and you You have a wife  
You have a husband  
You're my doctor  
You've got a baby coming  
It's a bad idea, me and you  
Let's just keep kissing til we come to Heart, stop racing  
Let's face it,  
Making mistakes like this will make worse what was already pretty bad  
Mind, stop running  
It's time we just let this thing go  
It was a pretty good bad idea, wasn't it though?  
It's a bad idea, me and you  
It's a bad idea, me and you  
Hold me close while I think this through  
(Um, um, yeah)  
Yeah, it's a very poor idea, me and you I got a wife  
I got a husband  
I'm your doctor  
My dumb baby's coming  
It's a bad idea, me and you  
Maybe one more kiss will make us come to Heart, stop racing  
Let's face it  
Making mistakes like this will make worse what was already pretty bad  
Mind, stop running  
It's time we just let this thing go  
It was a pretty good bad idea, wasn't it though?  
It's not right for me  
It's the only thing I've ever done  
What if I never see myself ever be anything more than what I've already become?  
I need a bad idea  
I need a bad idea  
I need a bad idea  
I need a bad idea  
Just one Heart, keep racing  
Let's make mistakes  
Let us say "so what?" and make worse what was already pretty bad  
This secret is safe  
No reason to throw it away when there's love to be had  
Hold me tight as I tell myself that you might make sense

And make good what has just been so bad  
Let's see this through  
It's a pretty good bad idea  
Me and you
