

# Anger Management (feat. Thi'sl)

Lecrae

[UNFINISHED]

(Hook)

I'm angry, and I don't really care what they say  
I'm angry, nobody better get in my way  
I'm angry, I'm fighting, I'm busting, I'm poppin'  
I'm caught up in a rage, man somebody better stop me  
I'm angry, I'm hating, I'm pushing, I'm shoving  
Somebody better get me cos I'm 'bout to do something

I'm angry

(Verse 1)

Been up all night  
Got me feeling weak  
No sleep on the first day of a long week  
I guess I'm still in school  
These people testing me  
For disrespecting me I will respond aggressively  
A long day short fuse in the worst mood  
My temper red hot  
I will get these boys blues  
Hard livin got me feelin very selfish  
Crab in a bucket tryin' crush these other shellfish  
Forget the chip upon my shoulder man I carry boulders  
I don't know how to control them when they get to rollin'  
When people pop off at the mouth I try to keep the cool  
But all I wanna do is fix 'em, troubleshoot  
Yeah they say I'm wrong  
if this carries on  
The faith I claim to have  
I'll probably never own  
Empty waiting pool  
Running out of patience

This is anger management get me another agent

(Hook)

I'm angry, and I don't really care what they say  
I'm angry, nobody better get in my way  
I'm angry, I'm fighting, I'm bustin, I'm poppin'  
I'm caught up in a rage, man somebody better stop me  
I'm angry, I'm hating, I'm pushing, I'm shoving  
Somebody better get me cos I'm 'bout to do something

I'm angry(Verse 2)

I'm angry every morning before I get up off the bed  
this dog keep on barkin I'ma bust em in the head

Uncle keep on trippin if he want to he can get it too  
anybody say another word I'ma act the fool  
I hit the dough, push my fitted to the side  
heart full of pride  
anger in my eyes  
been this way since the day I seen my homie die  
now I'm mad at the world and I hate that I'm alive  
really hate to say it cos it's killing me inside  
all I wanna be is loved and it's eating me alive  
Don't nobody love me man my momma and my daddy don't  
my uncle ain't my uncle cos I'm living in a foster home  
I say I'm saved but I'm scared of the truth  
cos I read Galatians 5 and I didn't see the fruit  
I don't know what else to do, I don't know what else to say  
so I hit my knees and pray, God take this thing away(Hook)  
I'm angry, and I don't really care what they say  
I'm angry, nobody better get in my way  
I'm angry, I'm fighting, I'm bustin, I'm poppin  
I'm caught up in a rage, man somebody better stop me  
I'm angry, I'm hating, I'm pushing, I'm shoving  
Somebody better get me cos I'm 'bout to do something  
I'm angry(Verse 3)  
I would die for my respect  
But I got no humility  
and Jesus paid my debt while  
I reject him willingly  
Man I got some nerve  
Holding anger in my heart  
The Father could have come serve me that beef up A La Carte  
Not to mention torture, Jesus took all my misfortune  
I've been freed from the Law, but I'm serving these court orders  
Unforgiveness is my pedigree, you say you're sorry better be  
Better bein' mad at you, than try'na be a better me  
Ain't nothin' in my workin' tryna demonstrate His worth  
And though He show me plenty grace, I don't extend to other persons  
And that anger led to murder, when you pull up on that murder scene  
It's Jesus nailed upon that cross, yeah the murderer was me! Peter 2: 23 man, when they used to  
hurl insults at Jesus, He didn't retaliate  
He entrusted Himself to the One that judges justly. The gospel manages our anger, ya feel me?  
The solution is to gain a heart that's thankful for grace in Jesus Christ!(Chorus)
